"The ability to play simple & effective soccer."

Response from the most winning coach in U.S. Men's high school soccer when asked what he looks for in players.

Co-coaches:

Shawn Walsh of the Lou Fusz SC Growlers Program & the Lou Fusz SC Brinker Angels, & Mike Fuller – Asst. Varsity Soccer Coach at CBC H.S. are creating a Division 1 girls U13 team.

Are you ready?

If you were born between August 1, 2000 and July 31, 2001, here are a few things to consider...

- ?1. We train 2x most weeks, occasionally 3x as a team, and players regularly find time for self-practice.
- ?2. Can you keep a positive attitude, i.e. our players support each other & build friendships with each other?
- ?3. Can you see yourself playing in high school, and more importantly can you see yourself preparing to play in high school?
- ?4. Are you already a strong player, and want to contribute to a competitive team that is focused on helping you become your best?
